

Our Mission

Our mission: to help as many families as possible with individualized supports.

How do we achieve our mission?

We provide direct support and services to over 400 Valley families each week. This includes:

- Services for kids and young adults affected by autism
- Support for families
- ***No family turned away because of inability to pay.***

Why host a Spanish Autism Conference?

For the Spanish-speaking Autism Community:

- Larger increase in numbers
- Misdiagnosed or diagnosed later
- Support can be challenging

Marketing

- 1000 flyers distributed
- 5000 emails sent
- Worked with community partners
- Social Media
- Personal phone calls
- Press Release -- Print, TV & Radio

Survey says

98% & 99%

Comments

"I appreciated that the conference was in my primary language. The information was clear."

"We felt lost. Thanks to all of you, I have information and help."

"My husband and I left the conference feeling grateful for such an event and organization. This event is very important for us parents of children with autism."

"It gave me new methods to help all members of our family."

Thank you!
