D. NAU/IHD Webinar Renewal Proposal

The Committee chose to discuss agenda item F. Sonoran UCEDD- Employment First Website Renewal Proposal while waiting for one additional Committee member to join the meeting, to ensure quorum for voting on agenda items D and E.

Once quorum was achieved and item F was discussed, Marcella Crane gave an overview of the current webinar contract with Northern Arizona University/Institute for Human Development (NAU/IHD). She explained there are generally 3-4 webinars held each on various topics throughout the contact year. NAU/IHD is responsible for the management, promotion, evaluation and hosting of the webinars.

Michael Coen had a question on the budget regarding two different FTE rates listed for John McDermott and the calculation of fringe benefits. Tom Uno clarified the rate should be .1125 FTE and that the fringe was calculated based the package selected by the employee. This was clarified to the Committee's satisfaction. Tom Uno also mentioned NAU/IHD both captions and archives the webinars as well. The webinars can be found on the Council's YouTube channel. It was clarified there are approximately 25-60 participants per webinar.

E. NAU/IHD- Voting Proposal

Erica McFadden briefed Committee members on the NAU/IHD Voting Proposal. She explained how the proposed research would focus on the barriers encountered and accommodations needed to assist individuals with intellectual and developmental disabilities register and complete the voting process. Various research methods will be used, and a final report/publication will be created to disseminate the results. It was mentioned this proposal falls within the Secretary of State's priority of removing barriers to voting and has the potential to create larger system change.

There was a discussion around the research methods being primary qualitative and if there were plans for a more quantitative approach which would allow the tracking of data over time. Arden Day explained there wasn't much quantitative data available currently and additional surveys would need to be conducted to gain quantitative data. Tom Uno mentioned that the findings would go to the Institutional Review Board, which may present an occasion for additional research to be done. It was strongly suggested to utilize any opportunity to gather more statistical/quantitative data for any additional and/or future research.

Chairperson Matthew Isiogu called for a motion to approve the NAU/IHD Voting Proposal in the amount of \$79,021. Motion was made by Michael Coen; seconded by Monica Cooper. Tom Uno abstained. The motion carried.

F. Sonoran UCEDD- Employment First Website Renewal Proposal

Marcella Crane gave an overview of the current contract and tasks included as part of the renewal proposal for the second year. The Sonoran UCEDD had some internal procurement issues which made it difficult to obtain a subcontract needed for the web development work to be completed in the first year. Because of this, they will not be fully spending the \$30,539 awarded. However, they have requested the unspent funds (approximately \$15,000) go towards the second year of the project. The original amount for year two of this project was \$12,800. The new amount requested for year two is \$24,244, so the overall cost of the two-year project remains similar.

Marcella went on to explain an addition to this contract based on the results of the Request for Information (RFI) process. The Sonoran UCEDD requested the Council cover the travel costs for a speaker to attend the 8th Annual African American Conference on Disabilities. in February 2019. This cost has been added to the renewal proposal with the understanding that employment would be one of the topic areas covered by the speaker.

Laura Schweers provided additional details on the delays with procurement in the first year and went on to explain they still anticipate having a mockup of the website by the end of the month, January 2019. The Council Staff will also work to promote the website once it goes live.

Chairperson Matthew Isiogu called for a motion to approve the Employment First Website Renewal Proposal in the amount of \$24,244. Motion was made by Michael Coen; seconded by Monica Cooper. The motion carried.

Discussion moved back to agenda item D.

G. Scopes of Work

Marcella Crane gave a brief overview of the Scopes of Work (SOWs) to be released, including: Community Inclusion Index, Recreation, Self-Advocacy, Employment, and Conference Sponsorship.

Erica McFadden gave an overview of the SOW for Sexual Abuse and Exploitation and asked for Committee feedback and suggestions on what should be included. It was highly recommended that Intermediate Care Facilities (ICFs) be included in the SOW. It was clarified that it should be only the ICF/IIDs, Intermediate Care Facilities for Individuals with Intellectual Disabilities. There was some concern the SOW may be requesting too much for a grantee to research. Finally, the importance of privacy of those interviewed needs to be stressed in the SOW.

Chairperson Matthew Isiogu called for a motion to approve the SOW for Sexual Abuse and Exploitation to move forward. Motion was made by Tom Uno; seconded by Michael Coen. The motion carried.
