

August 16, 2012

Dear Empowerment Through Information Committee Members:

Enclosed are the seven policy briefs and a draft copy of the housing report that the Morrison Institute has completed for the Council under their current contract.

The Morrison Institute has submitted a new proposal that will be voted on by the Committee at the Monday, August 27, 2012 meeting. We would like to give the Committee members the opportunity to review Morrison's work and provide feedback and discussion prior to voting.

Please keep in mind that only the content of the policy briefs was completed by Morrison, the design and layout was completed by another vendor.

Please feel free to contact us with any questions or concerns prior to the meeting.

Thank You,

Lani St. Cyr
