

arizona disability benefits 101

working with a disability

- AZ Disability Benefits 101 (AZ DB101) gives people receiving social security benefits tools and information on employment, health coverage, and benefits. You can plan ahead and learn how work and benefits go together.
- Use AZ DB101 to make informed decisions about going to work.
- Plan your transition from benefits to employment.

www.az.db101.org

The "Arizona Employment and Disability Partnership" is a Medicaid Infrastructure Grant (1QACMS300122) solely funded by the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services and administered by the Arizona Health Care Cost Containment System.

Benefits and Work - What will happen to your income, benefits, and health coverage if you go to work? You can use the Benefits and Work Calculator to find out how a job may affect your total income and your health coverage.

Who is it for? - The Benefits and Work Calculator is for people aged 18-64 using public disability benefits

What will I need? - Gather your bank statements and information on benefits you get from Social Security or the state.

How long will it take? - It will take about 20-30 minutes to complete the Calculator. You can save your session and come back to it later.

Will my information be kept private? - Yes. Any information you enter or store in the Calculator is completely confidential. It will NOT be shared with any government agencies or outside organizations.
