

## FY2022 ADDPC Webinar Series

ADDPC would like to host 4 - 6 Employment and Transition Webinars to educate and inform stakeholders of Employment First, educators and transition professionals, self-advocates and families, job coaching staff and employment support professionals with an array of content experts, to provide the context and necessary components for a statewide system that provides and sustains integrated employment for all Arizonans living with a developmental disability, regardless of complexity or needed level of support.

The webinars will be held at no charge once a month beginning in March and depending on how many are scheduled, will run through August 2022 from 10 am – 11:00 am via Zoom. The webinar will include a time for Q&A with experts in employment and transition planning for people with developmental disabilities.
