# Support Programs

The Arizona Developmentally Disabled Disaster Preparedness Program coordinates two regional coalitions consisting of more than 25 Day Treatment Agencies in the South and Central Regions; will grow in the West next.

The Arizona State Task Force on Access and Functional Needs provides caches on assistive device and others supplies across Arizona; the program will expand to encompass developmentally disabled focus with the new partners at the table.

The City of Phoenix is modifying its Disaster Plan to accommodate access and functional needs.

# Host Conferences

The poster features a background image of two young girls standing in floodwaters. The girl on the left is holding a white teddy bear. The girl on the right is holding the hand of the younger girl. The background is a blurred house and trees.

The logo is circular with a green border. Inside, there is a stylized map of the United States with a white outline. The text "NATIONAL PEDIATRIC DISASTER COALITION" is written around the top inner edge, and "2016 CONFERENCE" is at the bottom.
