

Making the Shift: Seeing disability as something you have to seeing disability as part of who you are

Gabrielle Ficchi

PhD, LPC, LPCS, MA, CRC

March 23, 2023

1:00 PM - 2:15 PM (AZ MST)

The webinar is about encouraging and helping youth and young adults with disabilities to reach their full potential. It's a message **Gabrielle Ficchi** wholeheartedly believes in and it's the single greatest factor she has found in working with individuals with disabilities and their families is giving them these opportunities to be their best selves.
