**JOIN US FOR THE  
NAVAJO DISABILITY  
WALK ON OCT. 15, 2019  
TO TURN A SPOTLIGHT  
ON DISABILITY RIGHTS  
ON THE NAVAJO  
NATION! AN ALL AGES  
EVENT**

A Public Address System will be available in front of the Council Chambers for persons with disabilities, family members and service providers to express their disability-related concerns. The Navajo Nation Council will be in their 2019 Fall Session that same day.

The Navajo Nation Advisory Council on Disabilities (NNACOD), Native American Disability Law Center (NADLC), and Navajo Nation OSERS are hosting the Disability Walk to raise awareness of issues and needs that are being adversely experienced by Navajos with disabilities. Including the continued lack of access to public buildings, public transportation, voting rights, employment opportunities, health care, disability housing, etc. We hope to see you at the Walk and want to hear your story! The Navajo Nation Government needs to hear how important these issues are to Navajos with disabilities and to begin to address such Disability Rights per existing Navajo Legislative mandates.
