

Disability personally impacts

Arizonans

Join us for a COMMUNITY DISCUSSION

What are we talking about?

Developmental disability affects many Arizonans. **Help us decide which activities to fund on a statewide level to increase opportunities of employment, access and meaningful dialogue for everyone**

Who should attend?

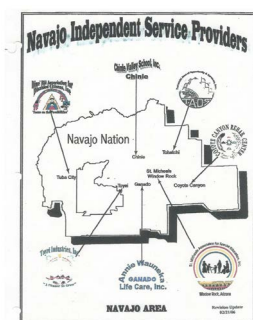

People with developmental disabilities and their families, or anyone who has been impacted by developmental disabilities, such as autism, epilepsy, Down syndrome, cerebral palsy, behavioral disorders, and intellectual or physical disabilities

Museum of Northern Arizona
